March 25, 2009

Greetings!

As some of you know, we cannot have our 'Up Island Golf' on the long weekend of May 15th and 16th. The proposal of May 22nd and 23rd went over quite well with only one person not being able to attend that could attend the earlier weekend. I won't mention any names, but he was my most enthusiastic responder so I do feel real bad about having to change weekends. I suppose there will have to be a Tony award for something!

Now for the good part... You have the weekend free! The dates are now Thursday, May 21st and Friday, May 22nd. Apparently there was a tournament on the weekend so the Thursday and Friday were booked at Fairwinds and Morningstar respectively. The tee off times are similar, but I booked for fewer people, 20 to be exact.

Now the bad part... The inn was not too happy with changing dates, so I canceled the 15th and 16th and will rebook at the beginning of April. That is why I will need to know who is staying overnight at the Inn, how long you will be staying, and whether or not you will be staying with anyone. I will then make the Inn bookings for the responders...

Attached is a registration form for you to mail back, but an email reply will suffice if you want. Also attached is a similar itinerary as to the previous one with the exception being the dates.

Please let me know by the end of the month whether you can make it Up Island.

Many Thanks,

*Glen
Kennedy*

PS. If you want to get a free round of golf on your birthday at Morningstar, sign in online and follow the directions.

PPS. Hu has volunteered, under Denis's tutelage, to run the stats and stuff! Any takers for cooking? Who wants to help with the dishes? What about bossing people around when it comes time to clean up? Prizes anyone? Anything else?!
